Social Support and Group Activities

Friday 20th April

Outing Group— Historic Wonnerup House

This month we are heading off firstly to Capel for morning tea at Capel Berry Café where they serve delightful coffee and scrumptious in house cooked treats. Then we will head to the historic Wonnerup House. Nestled between a majestic Tuart forest and the Vasse Estuary wetlands, the peaceful, almost romantic setting of Wonnerup belies a more difficult and turbulent past. The house, school and ancillary buildings are a powerful reminder of the isolation, danger and struggles faced by the Layman family during its 120 year occupation of Wonnerup. Entry is \$5 p/p. Afterwards we will have an amazing lunch at Sensations Café Busselton where they have a full menu and also seniors choices for \$15.50.

Friday 27th April

Guys Day Out

Enjoy being driven into Australind for a picnic morning tea beside the Leschenault Estuary. Here you can go for a walk over the boardwalk bridge and look out for some of the 60 species of recorded bird species in the area or maybe one of the often spotted dolphins.

From here we will take a drive through the town of Australind to Binningup to look at the beachside mansions and holiday homes. Lunch will be at the Parade Hotel where they have a variety of pub and restaurant style meals, cold beer on tap, and a dessert cabinet to die for. So book your place now blokes for this ripper day with Phil.

CHC will be CLOSED on the following public holidays;

Monday 2nd April—Easter Monday

Wednesday 25th April—ANZAC Day

CHC News

Frequently Asked Questions —*Why cant I have the same time for my service every time?* **Answer**—Due to the large number of CHC clients and the need to adjust our support workers rosters on a daily basis, we are unable to give exact times for services. At best, we can only inform early/late morning or early/late afternoon. Nor can we guarantee specific or the same time for every service, or the same support worker, although we will always do our best to keep our changes to a minimum.

We thank you for your understanding with this.
